## A Message from 3 Marthas...

As we hop into our 27th year, 3 Marthas is proud of the strong legacy we have maintained, while continuing to create innovative baby items that delight parents, grandparents and their little ones.

Our stylish, sewn-to-last baby products are manufactured in Dallas, Texas. It is 3 Marthas' privilege that each product is cut, embroidered, stitched and packaged with the closest attention to detail by an all-female, American workforce, earning a fair wage.

3 Marthas is pleased to have recently introduced new products, such as: the baby pillow (available in our classic, best-selling Little Lamb collection and our brand new Bunny Tales collection) and pink and blue 100% cotton onesies and newborn gowns (available in the Bunny Tales and Alligator collections).

We know that you, our valued customer, have come to expect (and rely) on the superior quality and complete functionality of our products. 3 Marthas' priority is to continue to provide baby gifts made from top-of-the-line materials and exceptional customer service.

Thank you for your support and partnership over the past 27 years. 3 Marthas is excited to continue to "grow and sew" with you into the future!

- The 3 Marthas Team
